The following steps provide members with direction on how to apply to the Provider Relief Fund General Distribution Portal. This process is open to eligible providers including those who billed Medicare, Medicaid, Medicaid Managed Care Plans and the Children's Health Insurance Program (CHIP) in calendar year 2019.

Did you directly bill your state Medicaid/CHIP programs or Medicaid managed care plans for health care-related services during the period of January 1, 2018, to December 31, 2019 OR

Did you bill Medicare fee-for-service during the period of January 1, 2019 and December 31, 2019?

Did you receive any payments from the Phase 1 Medicare Provider Relief Fund General Distribution, but did not receive 2% of gross revenue from patient care regardless of payer mix?

Full Eligibility Here!

If “YES,” apply for a payment via the Provider Relief Fund General Distribution Portal by August 28.

Before you apply:
- Read the instructions.
- Download the Provider Relief Fund General Distribution Application.

You cannot edit or resubmit once your application is submitted.

Initial Application Steps (See the “What you need” tab on the portal site):
1. Set up Optum ID if you don’t have one.
2. Sign up for updates.
3. Add your organization’s TIN, and the exact name associated with the TIN.
4. Have a program administrator attest to the TIN and submit information on behalf of your organization.
5. Wait until TIN is validated by checking the TIN dashboard.
