

NATIONAL COUNCIL FOR BEHAVIORAL HEALTH

As COVID-19 cases continue to rise globally, what new complexity does varying vaccine access and regulations present? What immediate lessons have we learned?

Join the [National Council Medical Director Institute](#) on **Wednesday, January 13, from 2 - 3 p.m. ET** for a timely discussion guiding evolving policy and clinical practices, facilitated by [Joe Parks, M.D.](#), the National Council's medical director and vice president of practice improvement.

This is an exclusive opportunity to hear directly from Rochelle Head-Dunham, M.D., executive director and medical director at [Metropolitan Human Services District](#) about pressing questions regarding vaccine safety, effectiveness and oversight.

We will cover such topics and questions as:

- Scientific and regulatory processes
- Vaccination-specific concerns
- COVID-19 prevention strategies
- Other topics you raise
